NOVEMBER 4, 2009 WEEKLY UPDATE
PAGE 1

On Wednesday, October 21, 2009, Mayor Sanders appeared before the Budget and Finance Committee and laid out his timeline for having city departments' present recommendations to him to cut their budgets by 27%. Reductions of this scale could mean layoffs and reduction in the city's core services such as public safety, parks and libraries. Councilmembers and the Mayor unanimously supported having the public provide recommendations and suggestions for the Mayor and Council prior to December 15, 2009. Your input and participation is vital. I look forward to hearing from you at SAN DIEGO SPEAKS.

Special community cleanup event areas are selected based upon citizen requests, pledges of community involvement and previous citizen participation levels.
